

Invitation

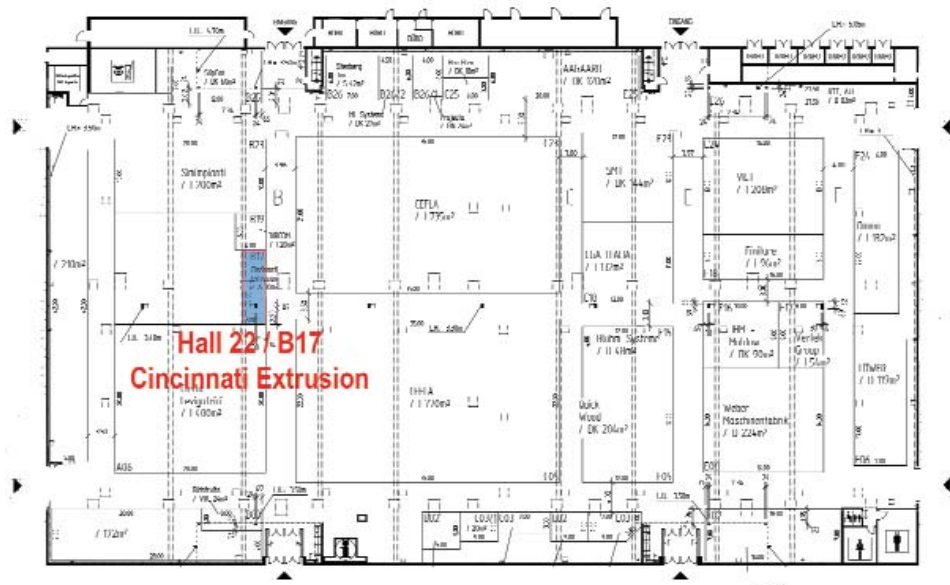

LIGNA 2007

14-18 May 2007, Hannover

Cincinnati Extrusion is pleased to invite you to its Wood Plastic Composites (WPC) Competence Center at the Ligna 2007 in Hannover/Germany from 14th – 18th May 2007.

Together with our partner institute Wood K plus  (Linz/Austria; www.kplus-wood.at) we will give you the latest update in state of the art WPC extrusion technology, realized products and ways how to enter the WPC market. We would like to welcome you at our booth* **B17/Hall 22**.
